“Thought I’d pass along a photo of one of our radio collared mtn. goats from the 2008 transplant from Round Butte that Great Falls SCI was so supportive of. I found her last week as part of a summer aerial big game survey (mainly goats and sheep) of the upper Teton River drainage area. She was aged as a yearling at that time, which puts her at 11 years old now. Found her in upper Bear Gulch just NW of Ear Mtn. Good to see her still alive! Thought at least the Chapter board might be interested.”

- **MILITARY SUPPORT**

- 2017 & 2018 support of the newly opened Grace Home Veterans Center (GHVC). The article and picture from our summer newsletter is below.

The Great Falls Chapter SCI board members want to give a big thank you to all who were in attendance at the 17th annual banquet this year. We were proud to again raise funds for Grace Home Veterans Center (GHVC) to further their hard work assisting disabled veterans with temporary housing right here in Great Falls. This year with the help of all who were able to chip in, our chapter was able to present GHVC with a check for \$2,452 to honor all that our Veterans have done to preserve our freedoms that we hold so dear including hunting.

GHVC is working to rebuild its garage into a wood working shop providing a space for its residence to learn a skill or to provide those who already know how to use their skills. They are not only in need of funds for operations but also this worthwhile project where they will be renovating the garage and purchasing tools and machinery for the space. They hope to have this project done as soon as possible to give residence more activities and a way to continue learning.

On April 20th, board president Patty Ehrhardt along with members Scott Anderson, Rick Vukasin (Veteran), and Terry Ehrhardt (Veteran) were able to present GHVC with a check and tour the facility again to see the great things they are doing. The facility manager William Chafin Jr. was kind enough to give us a tour of the facility where they can house 10 Veterans and a house mother. Significant remodeling has taken place in what was once a school house and was close to being condemned. They are always happy to provide the community tours to show gratitude for all of the support that has been shown to them. If you get a chance please stop by or call the office for additional information if you are interested in finding out what other needs they have.

- Sponsored local doctor to Cameroon for Humanitarian Healthcare Project, providing services to over 1,000 patients in need
- **HANDICAP DONATIONS**
 - HUNT - Donation of a special “handicap” hunt for deer or elk
 - HUNT – Sponsored a disabled youth hunter on an African Safari
